1. Public Session

1. The amount of dog fouling in the village was raised, with particular reference to Piggy Lane. Cllr Dawson will include this in the next issue of Bilbrough Broadcast, and also include a leaflet which explains the risks to public health.
2. It was reported that some owners have taken their dogs into the playing field on several occasions, despite clear signs at both entrances that dogs are not allowed, unless guide dogs. It was agreed that owners should be approached and gently reminded that dogs are not allowed in the playing field, from a health and safety perspective.

3. **Parish Chairman's report:** Attached

4. **Any other business:** None
